Bill Gates' father is William H. Gates Sr., a Co-Founder of *Preston Gates & Ellis* (they had offices across the **United States** and **China**). A prominent banker and lawyer, William H. Gates Sr. was also deeply involved with politics and "philanthropy". In the era before *Roe v. Wade*, he sat on the board of Margret Sanger's *Planned Parenthood*. https://www.pbs.org/now/transcript/transcript_gates.html

Why is that important? The *Roe v. Wade* case legalized abortion, but almost no body knows that legal abortion was a law formed by eugenicists, to "genetically improve" the population, by "reducing" the population.

In his book, 'Vaccine-Nation: Poisoning the Population, One Shot at a Time', Andreas Moritz, documented the very real eugenics connection between the *Rockefeller Foundation* (and family) and the *Bill and Melinda Gates Foundation* (and family). In it, He write this about them... **"While launching the initiative called the Global Fund for Children's Vaccines, Bill Gates had said in 2000, "It seems like every new corner we turn, the Rockefellers are already there. And in some cases, they have been there for a long, long time."**

Gates made that speech while announcing that his foundation was pledging \$555 million to health programs across the globe.

I say ironic because the Rockefellers have been notorious in their funding of controversial research, dubbed by some as "genocidal". This research concerns depopulation programs, communist and socialist programs, 'mind control' or behavioural modification experiments and the notoriously controversial experiments of Alfred Kinsey.

But the Gates and Rockefellers are old friends and partners in the Global Alliance for Vaccines and Immunization (GAVI). The alliance, which controls major international vaccine programs, has the following as members: *The Bill and Melinda Gates Foundation*, the *Rockefeller Foundation*, the International Federation of Pharmaceutical Manufacturers Associations, UNICEF, World Bank, WHO, and many national governments.

In vaccine research, it doesn't get bigger than this. I am detailing this to show just how incestuous the vaccine (and medical) world is. It also illustrates that power is concentrated in just a handful of [unelected] entities." https://books.google.ca/books?id=zGWAwRZDnxUC&pg=PA109&lpg=PA109&dq=It+seems+like+every+new+corner+we+turn,+the+Rockefellers+are+already+there.+And+in+some+cases,+they+have+been+there+for+a+long,+long+time.%22&source=bl&ots=JVx2QiwRFZ&sig=ACfU3U2raoI_F2uZID00k99yD6P-7KtS8A&hl=en&sa=X&ved=2ahUKEwj3iZbP6IbpAhWKXM0KHbS0AD8Q6AEwAHoECAoQAQ#v=onepage&q=It%20seems%20like%20every%20

If you want to know exactly what those in the Rockefeller-financed *eugenics movement* think of the common, or “unfit” man, read the following statements made by Margret Sanger...

“But for my view, I believe that there should be no more babies.”

“The most merciful thing that the large family does to one of its infant members is to kill it.”

“We don’t want the word to go out that we want to exterminate the Negro population...”

“Eugenics without birth control seems to us a house builded [sic] upon the sands. It is at the mercy of the rising stream of the unfit.”

“No woman shall have the legal right to bear a child, and no man shall have the right to become a father, without a permit for parenthood.”

As a side note, in 2010, William H. Gates Sr. was also the face of a socialist (communist)-styled State Income Tax Initiative (Initiative 1098), in Washington State.

How do I know for certain, that Bill Gates’ dad is a secret communist (and globalist)? Well, in April of 2003, the **Fabian Society**, yet another **Rockefeller-controlled (globalist) political “think thank”**, whose original logo was a **wolf in sheep’s clothing** (but is now a slow-moving turtle), wrote a report entitled, ‘Communities In Control’. In this report, it clearly shows a connection between William H. Gates Sr. and the Fabian Society. The report says the following... **“In the Foreword to the report, Bill**

Gates Sr, father of the billionaire Microsoft founder Bill Gates, lends his support to the Fabian proposals and links them to the growing campaign in the United States against President Bush's proposal to abolish US estate tax. The reform of inheritance tax is also analyzed here by experts including representatives of HM Treasury and the Irish Revenue." <https://fabians.org.uk/wp-content/uploads/2003/09/CommunitiesInControl.pdf>

Isn't that strange? The more we dig into those connected to William H. Gates Sr., the more that word (**eugenics**) keeps on popping up! But, what is the Fabian Society? Well, Geoffrey Robertson of *The Guardian*, wrote this about the Fabian Society, in a 2008 article; "**Fabian socialists provided the intellectual justification for the eugenics policy that led to the stolen generations scandal.**" Please, read the entire article, here. <https://www.theguardian.com/commentisfree/2008/feb/14/australia>

Along with pushing eugenics policies on the American people; for a century, the Fabians have also been pushing for, and to the dismay of many patriotic freedom-loving Americans, often succeeded in completely undermining Biblical values, the traditional family, property rights, and individual freedom! Their cause is anti-family, and anti-freedom; nothing good can come from their policies! The more one looks into the Fabians, the more treasonous, and evil they appear.

For example, Fabians pride themselves on **infiltrating the most key and privileged positions in American society** (UK and Canada as well), to **flood the society with subversive pro-socialist, communist, and globalist propaganda**, in a long-term effort to get the God-fearing, freedom-loving American people, to abolish the Constitution of the United States of America "on their own"; and replace it, with a global system of **oligarchical collectivism** (a new world order). In the words of Bertrand Russell, a famous Fabian Socialist; "**The populace will not be allowed to know how its convictions were generated.**"

In 1953, in *The Impact of Science on Society* (by Fabian Socialist), Bertrand Russell declared the following; "**I think the subject which will be of most importance politically is mass psychology...Various results will soon be arrived at: that the influence of home is obstructive....although this science will be diligently studied, it will be rigidly confined to the governing class. The populace will not be allowed to know how its convictions were generated. When the technique has been perfected, every government that has been in charge of education for a generation will be able to control its subjects securely without the need of armies or policemen....Educational propaganda, with government help, could achieve this result in a generation. There are, however, two powerful forces opposed to such a policy: one is religion; the other is**

nationalism....A scientific world society cannot be stable unless there is a world government."
